

The All Rounder Cricket Premier League

Twenty/T20 Group A Cup Final Sunday 16.07.17

UCC 1st XI 134-7 v Hanging Heaton 136-3

In the end the 1st XI fell short at the final hurdle losing by 7 wkts to a good Premier League Hanging Heaton side.

Batting first UCC made 134-7 in their 20 overs with a fine innings from Gulsheraz Ahmed 57 making over a third of the overall total.

Hanging Heaton made the required total with 4 overs to spare with Amir Hussain 1-22 in his 4 overs being UCC's best bowler.

Whilst the team could not bring the cup back to UCC it should not detract from their great performances in getting the UCC 1st XI to their first major final in approx. 25 years.

Great also to see a large turnout of UCC members to support the lads.

Perhaps it is also a reminder of what is possible at UCC and sure the players also want to continue to try and play in big games like this in the future.

Thanks go to Dean Skillicorn & Scott Etherington for all their hard work to date, to JW Flooring Ltd for sponsoring the player's kit for the final, Matt Reynolds for scoring and Pudsey St Lawrence for hosting the final. Match scorecard below.
