

UCC NEWSLETTER AUGUST 2017

Well hello and welcome to the club newsletter for August.

CRICKET NEWS

Although the 1st XI lost their Priestley Cup semi final at New Farnley, it was a super effort just to get there, bad luck lads but well done all the same.

The Priestley Cup Final at UCC on **Sunday 27th August - Noon Start** will feature Methley v New Farnley.

The club committee would be grateful for any volunteers to help out on the day no matter how long for.

The 1st XI are still in with a shout of promotion as the teams above them have to play each other some twice. However the cause was not helped by a heavy defeat at Morley on Saturday 12.08.17 that leaves them in 5th place in the league.

The 2nd XI lay in second place in the league trailing leaders Gomersal by 14 points after they suffered a 55 runs against East Ardsley on Saturday 12.08.17. With 5 games left they are still fully in the race for the league title and promotion, what a turnaround from last season, once again well done to all concerned, cricket chairman, captain and most importantly the players.
