

UCC NEWSLETTER SEPTEMBER 2017

Well hello and welcome to the club newsletter for September.

CRICKET NEWS

The **1st XI** finished a respectable 4th with the weather going against the lads that probably played a part in missing out on promotion.

The **2nd XI** narrowly missed out on promotion finishing 3rd in the league 1 point behind Ossett the runners up.

Considering last season's below par performances this season saw a far better standard achieved by both teams.

Well done to all concerned, both on and off the field. You should be proud of yourselves.

PRIESTLEY CUP FINAL

The final was a resounding success from UCC's point and the Bradford League hierarchy were delighted, so thank you for those people that helped with the event. A special mention to **Dax Sowrey** and his super team of juniors who did a sterling job.
