THE JULIE EDWARDS QUARTET

www.julieedwards.com

Shortlisted for the Yorkshire Jazz Vocalist of the Year a few years back, Derbyshire born vocalist Julie Edwards started gigging on the local pub scene in Leeds about 25 years ago. Having been made redundant from her job in adult education she signed up for a couple of courses at Leeds College of Music and ended up doing a postgraduate diploma in music. Three years later she turned professional and produced her first album 'About Time Too', before teaming up with saxophonist-turned-guitarist Kevin Dearden. www.kevindearden.co.uk

Together they have played hundreds of venues and festivals in the UK, and a few abroad. They have produced three CD's; 'Eden', 'Connections' and 'Rhyme or Reason' which were featured on Michael Parkinson's and Humphrey Lyttleton's shows on BBC Radio 2 and on local radio stations in the UK and elsewhere.

Kevin will be playing bass on this occasion, with Jason Scott on keys and Tim Franks on drums. Kevin started out as a bass player as a teenager, and the bass is currently enjoying a renaissance in the Edwards/Dearden household.

Admission is free as usual and drinks are reasonably priced with a different guest beer every week. There is ample car parking space which is overseen by CCTV. Come and enjoy a relaxing evening of blues and jazz at probably the most comfortable jazz venue in the Leeds/Bradford area
