

UCC NEWSLETTER

JANUARY 2018

Hello and welcome to the club newsletter which is different to any other I have written.

You are aware that certain issues within the club are causing concern to the committee. The committee is made up of members who volunteer their time and efforts to make UCC a viable concern.

There are certainly 5 people in particular, Graeme Atkins, Alan Douglas, Brian Lymbery, David Barnes & Andy Knott who work tirelessly and long hours behind the scenes.

The last thing they and the rest of the committee want to experience is negative comments and attitudes from club members. Those people that have nothing better to do should be constructive to UCC. The old saying 'put up or shut up' springs to mind.

Furthermore instead of being negative come forward and join the committee and help us to put things right for the benefit of UCC and its members instead of slugging off everything we do.

SATURDAY NIGHT ENTERTAINMENT NEWS

On a more positive note I have listed below for members benefit the artists that will be appearing at UCC in the coming months.

24 February 2018, welcome return of **Steve Holland A.K.A Elvis**, who put on a fantastic night when he appeared at UCC last year.

10 March 2018, **The Good Citizens Trio**, highly recommended band.

21 April 2018, **AJ Alias Robbie Williams**, super night last time he was at UCC.

12 May 2018, **Northern Epidemic**, fabulous duo back at UCC.

Please support these artists and come along to some great live music nights at UCC.

UNTIL NEXT MONTH

Well that is all folks and I trust this letter is accepted by members as a plea for unity and if anyone is offended I make no apologies.

CHRIS WILLIS,

A Proud UCC Committee Member, Dated 16 January 2018
