

UCC JUNE 2019 NEWSLETTER

Hello and welcome to May's newsletter.

CRICKET NEWS

As you will appreciate, the weather is playing havoc with the fixtures. Thankfully, it is the same for all teams but cricketers want to play cricket.

The first XI are improving and **Khalid Usman**, our overseas player has now arrived. **Dean Skillicorn, [Cricket Chairman]** is confident that we will be OK.

The second XI are still awaiting their first win but have been bolstered by two new signings, one of which **Rayhan Shahzad**, played for Bradford Joe Lumb U17 XI side last Sunday.

The Juniors Section is flourishing with plenty of new players ensuring we are now running three junior sides. The U15's are third in the league with two matches in hand. They play Pudsey St Lawrence U15 in a first round cup match at UCC on Monday 17.06.19 from 6.30 pm. If the weather intervenes, then played on Friday 21.06.19.

The U9 & U11 are doing great and working hard, all keen and fully committed.

The All Stars who meet every Thursday have 14 new players all between the ages of 5-8 years old that could be our future junior & senior players.

Many congratulations to **Megan McDonald & Ruby Flynn** invited to play for Yorkshire in the girl's league at Woodlands cricket club.

Finally, along with **Dean Skillicorn & Dax Sowrey [Juniors Head Coach]**, many thanks to coaches **Craig Wiseman, Nick Sugden & Scott Price** for all their hard work. Thanks also to **Louise McDonald** for doing the juniors cricket admin.

CLUB REFURSHBISMENTS

The committee room fully refurbished, with new floor, new curtains, and walls painted looking good. Next is the TV room with a new TV along side the refurbishment.
