

UCC JULY 2019 NEWSLETTER

Hello and welcome to this month's newsletter.

CRICKET NEWS

Congratulations to the first team on winning the Bradford Premier League JW Lees Brewery T20 Cup on Sunday 30.06.19 at Cleckheaton. They beat hot favorites Hanging Heaton, current T20 National Champions, in the semi final and then Morley in the final. So many many congratulations to all concerned especially a special well done to our cricket chair Dean **Skillicorn**, who has seen the team achieving mixed results this season.

In the league, the first team moved out of the relegation zone with a great win over Wrenthorpe last Saturday. We are hopeful of signing **Mark Watt**, of Scotland & Derbyshire CCC second team for the rest of the season. There are ten matches left and we need to win at least three to be safe, starting with a home match against Lightcliffe this Saturday, all the best lads.

The second team won their first game of the season last Saturday against Ossett, which included a maiden 115 not out century from **Abu Hurairah**; that will see them turn the corner. They have some good juniors coming through to the second team that is down to the enthusiasm and dedication to our juniors coaches **Nick Sugden**, U9 XI & U11 XI, **Craig Wiseman**, U15 XI and juniors Head Coach **Dax Sowrey**. Thank you men and well done.

Our Wednesday Evening team have five matches left and currently sit mid table.

All the best to **Megan McDonald & Ruby Flynn** when they make their debuts for Yorkshire CCC Wild Boars U11 XI in a four county team festival at UCC on Sunday 14.07.19 from 1.00 pm. The U15 & U11 teams are now playing in their Inter Group Matches; the U9 team have one match left before their cup knockout.

It is very encouraging to see junior cricketer numbers & interest continue to grow after a somewhat quiet time on both. A reward for all the hard work that **Dax Sowrey & Louise McDonald** have put into the juniors section, well done.
