## Bradford League Match Result

**Hanging Heaton 249-9 1<sup>st</sup> XI v UCC 1<sup>st</sup> XI 228**

**Saturday 07.09.19**

The first team's relegation fight goes down to the final game of the season today, at home to second placed Townville, after they lost by 21 runs at Hanging Heaton. They are third bottom on 179 points with Wrenthorpe second bottom on 171 points.

The hosts batted first and made 249-9 in their 50 overs. UCC's best bowlers were **KHALID USMAN** 4-87 and **SIMON LAMBERT** 3-38.

The team made a great start in reaching their target with a 108 first wicket partnership between **SIMON LAMBERT** and **SCOTT ETHERINGTON** who was out for 34.

The rest of the batting proved brittle again with no batsman able to stay with **SIMON LAMBERT**, who made a splendid 116, for any significant time as they were all out for 228.

However, mention must be made of the ninth wicket stand of eight runs between **STEVE ADAMS** and **SUNNY MATHARU** to gain the final batting point that could well be crucial today.

Therefore, the team's relegation fate remains in their hands today, albeit against a strong Townville side, as they know the last relegation place is most probably between themselves and Wrenthorpe. All the very best to the lads today.

## Bradford League Match Result

**UCC 2<sup>nd</sup> XI 97 v Gomersal 263-7**

**Saturday 07.09.19**

The second team were relegated yesterday after a 166 runs defeat against league leaders Gomersal.

The visitors made 263-7 in their 45 overs with **MOHAMMED SUDASE** taking another five-wicket haul with 5-48.

In reply, UCC were all out for 97 with **MOHAMMED SUDASE** 32 top scoring to cap a great all round performance.

Once again, the second team fielded a mainly young side that have had to learn quickly the rigours of senior second team league cricket. That experience will prove very useful for next season.
