

## **MEMBERS NOTICE**

### **NEW CO-VID 19 TRACK AND TRACE APP**

**FROM THURSDAY 24.09.2020**

The Government announced that the new NHS COVID-19 app will be available for download from **midnight on Thursday 24.09.20.**

**People who have downloaded the NHS app** will be able to check into the club with their mobile phone **instead** of leaving their details in the club registration form.

This can be done by scanning their mobile phone after downloading the NHS app, across the QR code on the NHS COVID-19 posters that will be in place in the club rooms from **Friday 25.09.2020.**

It allows NHS Test and Trace to contact customers with public health advice should there be a COVID-19 outbreak.

Scanning the QR code helps the club meet the new legal requirement to record contact details of members, guests, visitors and staff in the club.
