

UCC SENIOR CRICKET NEWSLETTER 2021

Trust that everyone is keeping as well as you can in these serious Covid times. Sadly no cricket in 2020 but hopefully, by next April we should be in a better position and greater prospect of a full season and return to the Premier League for the first team. Still looking to make one more signing for the first team. Second team have squad of 17/18 players so plenty of competition for places and a promotion push. Looking forward to seeing everyone back at UCC for a catch up, a pint or two [maybe three] and cricket played again. First and second team fixtures on the club's website. Take care, stay safe and a Merry Xmas & Happy New Year.

First & Second Teams Captain & Vice-Captain

Scott Etherington again captains the first team with **Bailey Worcester** as vice-captain. **Nick Sugden** takes on captaincy of second team with **Mohammed Sudase** as vice-captain.

Overseas Player

Khalid Usman will be returning in 2021 as our overseas player.
