

UNDERCLIFFE CRICKET CLUB

SPONSORSHIP PACKAGES 2024

INTRODUCTION

2024 promises to be an exciting year for Undercliffe Cricket Club. Our 1st XI achieved promotion back to the ECB Bradford Premier League and are excited to be back amongst the elite of club cricket. Behind the scenes we have been working hard to improve the squad of players for the challenge that lays ahead. Bailey Worcester will continue to lead the 1st XI in 2024 and we have made 3 additions to the side that achieved promotion. We are excited to have secured the services of Sharoon Siraj as our Overseas Professional in 2024, an exciting prospect from Pakistan where he plays First Class cricket for the Multan Region. Sharoon is an extremely talented allrounder who bats in the top order but also offers some very useful right arm offspin. We have also secured some younger talent into our squad with the signings of opening bowler Calum Fletcher (20) and allrounder Tom Starkey (21). Calum joins us from North-East side South Northumberland through his move to university in Leeds and Tom joins us from Olicanians in the nearby Airewharfe League.

Our 2nd XI consolidated their position in Division 1 in 2023 following promotion the previous season , will again be led by Nick Sugden. 2023 witnessed the emergence of a number of our junior players into the 2nd XI which is testament to the hardwork of Dax Sowrey, who heads up the junior cricket program. We look forward to their continued development alongside a couple of promising teenagers in Sam Carroll (19) and Harry Pickney (18) that have joined us for 2024, as we seek to develop 1st XI players of the future.

Our junior cricket program continues to grow from strength to strength with teams now running at Under 9s, Under 11s, Under 13s and Under 15s age groups. All teams play in the Bradford Junior Cricket League (BJCL) with a number of our players achieving selection for both BJCL and Yorkshire Regional Representative sides in 2023.
